

MASJID PROJECT

For Muslims, building a Masjid or contributing towards it, is one of the most virtuous forms of Sadaqatun Jaariyyah (continuous charity) that Allah (swt) has bestowed upon us and well wishings have been granted in many ahadees, as such narrated from Jabir bin 'Abdullah (ra) that: **“The Messenger of Allah (saw) said: Whoever builds a masjid for the sake of Allah, like a sparrow’s nest for Allah or even smaller, Allah will build for him a house in Paradise.”**

Since half a decade, musallis are growing significantly, our present rented centre is insufficient for more than 300 musallies, who are visiting regularly. Alhamdulillah plan has been approved of INR 7 Crore by the authorities of Markaz-us-Salaam to build a new masjid and an Islamic centre.

OUR APPEAL

The Almighty says: **“Those who spend their wealth (in Allah’s cause) by night and by day, in secret and in public, they shall have their reward with their Lord. On them shall be no fear nor shall they grieve.”** (Surah: Al-Baqarah Verse: 274)

Allah (swt) in His infinite wisdom places each and every one of us in different circumstances in order to see which of us have the best actions and he will reward us for our intentions. The lesson from this is not how much we donate in monetary terms or effort, but how much personal sacrifice we make from what has been given to us. We make from what has been given to us. We the committee of Markaz-us-Salaam request your support in reaching our target to complete our masjid project.
